All Temperature Lecithin Mold Release

Mold Release

Why was ALL TEMPERATURE LECITHIN MOLD RELEASE developed?

DAC All Temperature Lecithin Mold Release was developed to provide you with a fully paintable and platable mold release that is USDA and FDA approved.

DESCRIPTION:

All Temperature Lecithin Mold Release works efficiently on both hot and cold molds, and is free from chlorinated solvents. All Temperature Lecithin Mold Release has no volatile organic chemicals (VOC's). This product imparts a smooth, dry film, which is biodegradable and non-toxic. It is USDA and FDA approved. It can be used where parts will be painted, hot stamped, metalized or otherwise decorated.

PERFORMANCE CHARACTERISTICS:

- Non-silicone and fully paintable
- Contains no chlorinated solvents
- Works well on both hot and cold molds
- Works well with sonic welding and decorative parts
- Safe on highly sensitive plastics
- Will not transfer onto parts
- Fully paintable and platable

REMOVAL SPECIFICATIONS:

If build-up occurs, flush with DAC-103 Universal All Purpose Degreaser.
